**IT MIGHT HAVE
HAPPENED TO YOU**

READ FOR LIBRIVOX BY LEE SMALLEY

It Might have Happened to YOU Conningsby Dawson

This is a frank eyewitness description of the suffering, starvation in particular, that was widely experienced in Central and Eastern Europe in the aftermath of "The Great War". "It is not stating matters too strongly to say that...peace had caused at least as much misery as the four years' fury of embattled armies." It is a powerful political and anti-war statement with scant mention of any battle. – Lee Smalley
